

SHREE KARANI
TARPAULIN INDUSTRIES
WE COVER THE WORLD

COMPANY PROFILE

ENGINEERED FOR PROTECTION. BUILT FOR PERFORMANCE.

Pioneers in HDPE Innovation

Shree Karani Tarpaulin Industry has been developing and manufacturing high-quality HDPE tarpaulin solutions for diverse industrial, agricultural, logistics and commercial applications.

COVER THE WORLD.

SHREE KARANI
TARPAULIN INDUSTRIES
WE COVER THE WORLD

OUR PRODUCTS

- HDPE LAMINATED ROLLS
- HDPE TARPAULIN
- HDPE COVERS
- HDPE WOVEN POND LINING
- HDPE VERMIBED
- HDPE TARPAULIN GROW BAGS
- HDPE Tents
- Polypropylene (PP) Woven Bags

BUILT ON EXPERIENCE. DRIVEN BY INNOVATION.

Established in 2011, Shree Karani Tarpaulin Industries has grown into a trusted manufacturer of HDPE tarpaulins and related products. From an initial capacity of 100 MT, we have scaled to approximately 1,100 MT per month, backed by advanced manufacturing capabilities, robust quality systems, and a strategically located facility with easy access to Mundra and Nhava Sheva ports.

KEY STRENGTHS

01
60+ Years of Collective Expertise —
Strong industry knowledge and technical experience.

02
Advanced Manufacturing —
Integrated facilities and modern technology for consistent production.

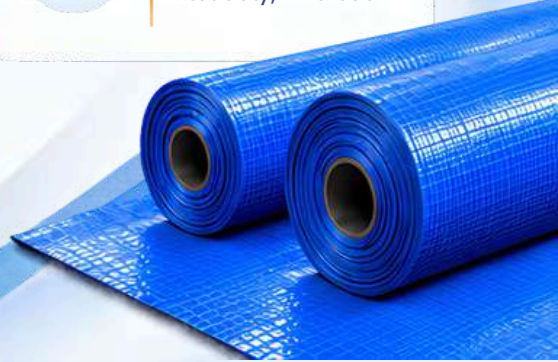

03
Quality Assurance —
ISO 9001 & ISO 14001 certified systems and ISI-compliant products.

04
Customized Solutions
Reliable products tailored to diverse applications and customer requirements.

05
PAN-India Logistics —
Seamlessly linking major domestic hubs for efficient nationwide and global distribution.

06
Commitment to Excellence —
Driven by Quality. Reliability, Innovation.

More than tarpaulins— we deliver protection you can depend on.

SHREE KARANI
TARPAULIN INDUSTRIES
WE COVER THE WORLD

ABOUT US

OUR PURPOSE

We innovate with purpose, creating high-quality, globally relevant and sustainable HDPE solutions that deliver lasting value.
Our commitment goes beyond manufacturing. Through responsible production, waste reduction to continuous innovation, we strive to deliver products that combine quality, reliability, affordability and performance.

If you need protective covering, we've got you covered.

VISION

To drive continuous innovation and develop reusable, recyclable and resource-conscious products, while raising industry standards through responsible manufacturing and meaningful innovation.

INDUSTRIES WE SERVE

Our HDPE solutions deliver dependable protection across Steel, Cement, Oil & Gas, Fertilizer, Agriculture, Construction, Logistics, Glass, Thermal & Solar, Sugar, Biofuel, Composting & Organic Waste Management, Relief & Emergency Response etc.

SHREE KARANI
TARPAULIN INDUSTRIES
WE COVER THE WORLD

WHY CHOOSE US?

MORE THAN A SUPPLIER. A RELIABLE MANUFACTURING PARTNER.

We go beyond supply to deliver consistent quality, dependable capacity and responsive service. With strong manufacturing capabilities and a commitment to continuous improvement, we build long-term partnerships and lasting value for our customers.

WHY SHREE KARANI?

01
COMPETITIVE VALUE

02
ON TIME DELIVERY

03
CONSISTENT QUALITY

04
CONTINUOUS IMPROVEMENT

05
STANDARD & CUSTOM SOLUTIONS

06
WIDE DEALER NETWORK

OUR COMMITMENT

Every product represents our promise of quality, reliability and performance. We aim to build relationships that last-not transactions that end with delivery.

SHREE KARANI
TARPAULIN INDUSTRIES
WE COVER THE WORLD

BUILT FOR SCALE.
EQUIPPED FOR CONSISTENCY.

OUR INFRASTRUCTURE
MANUFACTURING CAPABILITY

Our integrated manufacturing facility combines specialized production lines, modern machinery and quality-control capabilities to support high-volume manufacturing.

01 TAPE PLANT
PP Tape Extrusion Line

Production capacity: approximately
780 MT/month

02 LOOM
Circular, Waterjet & Sulzer Looms

Fabric width:
1.5 m to 4.5 m

Production capacity: approximately
750 MT/month

03 LAMINATION
3 Lamination Lines

Working width:
1.5 m to 4.3 m

Production capacity: approximately
1,050 MT/month

04 PRINTING
Up to 2-Colour Printing

Production capacity: approximately
750 MT/month

05 FINISHING
Trimming, Inspection & Winding

Production capacity: approximately
750 MT/month

06 PACKAGING
Final Packed Rolls Ready for Dispatch

Packing formats:
Roll packing with custom specifications
